REPORT OF SUPERINTENDENT OF SCHOOLS

To the School Board of Sutton District:

Following are the general statistics of the district for the year 1933-34:

TEACHERS EMPLOYED

Mills—Christina Young

North—Helen E. Holmes

South—Rebecca D. Chamberlain

South Primary—Ruth S. Colby, Dec. 4 to June 13

Music—Elaine Ellis

School Nurse—Ruth B. Whitcomb

On account of the large number of pupils at the South, it was necessary to open another school. This included the primary grades only and was located in the old store building which was modified to meet school needs. This year it was not necessary to continue this school as the number of pupils diminished.

	Mills	North	South	Total	Total 1932 1933
Half-days in session	356	358	356	356.66	360
Half-days lost	4	2	4	3.4	0
Number pupils registered	28	23	35	86
Average membership	26.41	20.22	27.4	74.45	64.5
Percent attendance	95.56	85.06	91	93.57	95.2
Number tardinesses	1	50	127	178	78
Av. tardinesses per pupil	.03	2.47	4.63	2.39	1.2
No. visits School Board	3	3	5	11
No. visits Superintendent	26	23	39	88	105
No. visits Citizens	48	46	72	166	128

From the above table the following may be noted :

1. Each school lost one or two days' time.
2. The number of pupils and average membership have increased nearly ten. This probably is not a permanent condition. In fact the number of pupils has already fallen to about its former figure.
3. There was a considerable drop in per cent of attendance except at the Mills School where the figure is good.
4. The amount of tardiness has more than doubled except in the Mills School where it was practically nothing.

We would urge parents to continue to insist upon punctuality in their children. It is good business and life training.

HONOR ROLL OF PERFECT ATTENDANCE

For one year :

Dorothy Foster	Barbara Hayes
Hope Hayes	Doris Hayes
Bertha Davis	Spurgeon DeLong
Norris Wheeler	

For two terms of twelve weeks each :

Weston Chadwick	Verna Presby
Veronica Quimby	Corinne Bradford
Irene Call	Louis Palmer
Arthur Hall	Chandler Hall
Dorothy Hall	Morris Wheeler
George Wells	Forrest Barker

For one term of twelve weeks:

Horace Palmer	Leon Call
Laura Presby	Fred Davis
Leroy Quimby	Jean Graham
Harold Chadwick	Helen Call
Bertha Woodward	Ann Packard
Frederick Allen	Richard McCoy
Arthur Roy	Alice Sawyer

During the coming year the outside of the Mills School should be painted. At the South repairs are needed for the foundation. At this building a part of the entry has been partitioned off and a door cut through into the school room. This makes a small room where the boys may do shop work. A sum of money raised by the school has been invested in tools for this purpose. The extra rooms at the other schools offer a good opportunity for the development there of the same project.

We are very glad to have once more the privilege of working with the board and with the people of Sutton for the advancement of the interests of the schools. This is the ninth year of this relationship and we wish to thank the board, the teachers, and all others who have joined in making it so pleasant.

Respectfully submitted,

JOHN A. SINCLAIR,

Superintendent of Schools.
